

GOOSE PORT

PUBLIC HOUSE

WELCOME TO GOOSE PORT!

My name is Al Santos and I'm the owner. I thank you for choosing GP! The name Goose Port comes from a nickname that I had since I was a little dude. During my first week of little league, my old-school coach asked me what "Santos" was. When I said "Portuguese"...I've been "Portagoose" or "Goose" since! Flipping that nickname to Goose Port is a shout out to those formative sports years and to my Portuguese heritage. What is Goose Port? We have a lot of sports, 20 taps with classics and crafts, a full bar with creative mixed drinks, fun music and most importantly great, fresh food. Goose Port Public House... Something for everybody!
